

## SPECIAL OFFER

### Acquire friends, travel with them and achieve financial benefits

Today we would like to draw your attention to a quite exceptional offer. **When you make a new booking on one of the trips listed below, and persuade your friends to take one of these cruises as well, both you and your friends will receive a € 500 discount on the cabin price.** The same principle applies to any further cabins you sell for us, so the price you pay is reduced by another € 500 each time. The

reduction is limited to the full amount of the price from/to the port. For the discount on your trip to be effective, it is essential that all the customers you have acquired actually take the cruise. The reduction will be paid at the start of your trip in the form of a note of credit.

This offer cannot be combined with other discounts or special prices.
